

Revd Alison Mathew

I am an Associate Minister in the United Benefice of Radley, Sunningwell and Kennington, working alongside our Rector, Revd Rob Glenny and fellow Associate Minister Revd Glynis Beckett. All our team have links with the school in lots of different ways – for example, through school assemblies, Open the Book teams and services and events in local parish church, St Swithun's. It is my particular privilege to serve as a Foundation Governor on the School's Governing Board, which I joined in 2016. Originally from Scotland, I have been ordained in the Church of England for seven years and bring a background of working in the NHS and voluntary sector to my role as a Governor. As a Foundation Governor I am involved in various ways; including taking a particular interest in SIAMS, children with special educational needs, the early years outdoor learning area, the developing reflective garden space and learning about the school's approach to the emotional health and well-being of the children. It is a real joy and privilege to be part of the school community in this way.
