

Gemma Bound

I joined the governing body after being elected as a parent governor in January 2019. I have two daughters at the school and we live in Kennington.

I am a Family Law solicitor, specialising in child protection work. I work alongside a range of professionals dealing with some of the most vulnerable children within the County. I feel my experience in my current role, alongside being a parent myself, will assist in ensuring the school's policies, and the support available to the school, and are targeted to achieve the best possible outcomes for our children.
