

ABOUT FOSS

FOSS is the parent body (PTA) of St Swithun's School. Each year FOSS works with staff, parents and others associated with the school to enrich the pupils' learning experiences and their wellbeing. FOSS raises valuable funds to purchase facilities and equipment for the school, as well as hosting events to promote the wider school community.

FOSS HIGHLIGHTS

FOSS, collectively with the 200 Club (a monthly fundraising draw – see school reception for details), has contributed £15,000 annually to school projects. These include:

- Outside play equipment and outside classroom area
- Interactive whiteboards
- Class iPads
- Portable musical instruments
- Staging and lighting
- Library and classroom books
- Year / class trip subsidies
- Saplings PE bags and Year 6 leaver presents and party

HOW YOU CAN GET INVOLVED

Every parent, guardian or carer of a pupil at St Swithun's School automatically becomes a member of FOSS – but we'd really like it if you became an active member! FOSS can't run without support. You can get involved in many ways and give as little or as much time as you wish, from supporting the Committee with new ideas and strategies to becoming a Class Rep and promoting and supporting FOSS within a class, or helping out on an adhoc basis at an event.
